

The fund seeks to educate the public about early diagnosis, preventions and treatment of melanoma in medically underserved communities in New Mexico. Whether working with the ADL or funding cancer research, Evy has consistently demonstrated her compassion and devotion to fighting for important causes.

However, Evy's greatest love, after Jeff and her sons, was her career as a teacher. She was an outstanding educator who instilled a love of learning, hard work, and excellence in all her students. Those students have gone on to become leaders in law enforcement, health care, and many other professions throughout our community. Indeed, we need more teachers like Evy who devote themselves to their students with passion and find innovative ways to teach and support her students.

On April 18, 2016, at the age of 84, Evy passed away in her home in Carlsbad with Jeff and her son, Max Shaw, at her side. In addition to her husband Jeff and her son Max, she is survived by Shannon's wife, Christine, and their two children, Jacob and Marlena Shaw Davis. Evy was a true friend whom we will all miss dearly. I cherish our friendship and all of the wonderful contributions she has made to our state. Her memory and legacy is a blessing to us all.

RECOGNIZING GUAM DEPARTMENT OF EDUCATION SCHOOL NURSES

HON. MADELEINE Z. BORDALLO

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Monday, May 16, 2016

Ms. BORDALLO. Mr. Speaker, I rise today to commend and congratulate nurses and school nurse support staff of the Guam Department of Education (GDOE) in honor of the 2016 National School Nurses Day. There are currently 44 Registered Nurses and 3 Licensed Practical Nurses serving the students of the Guam Department of Education. These nurses take on the daunting task of caring for the Guam Department of Education's more than 30,000 students and nearly 4,000 employees of the Guam Department of Education. These school nurses work day in and day out to remove the barriers to learning and ensure the health of our island's children.

Guam Department of Education nurses join the National Association of School Nurses in celebrating the theme of this year's School Nurses Day: Better Health; Better Learning. They also join the American Nurses Association in celebrating the 2016 Nurses Week: Culture of Safety; It Starts With You! GDOE nurses have chosen to celebrate National School Nurses Day by teaching students how to conduct hands only CPR.

Every year the GDOE nurses serve a critical role in providing a safe and healthy learning environment for students throughout Guam's public elementary, middle, and high schools. GDOE nurses provide frontline, critical care for the most fragile children in our community and are members of health teams that support both educational and response initiatives dedicated to improving public health. Additionally, school nurses are liaisons to the school administrators, parents and healthcare providers when it comes to attending to the physical health of our island's students.

Every school year is different and challenging for the GDOE nurses. In April, the

school nurses received a call from the Department of Public Health and Social Services asking them to administer 5,000 doses of TB skin test solution to GDOE students and staff who need updates. The school nurses embraced the challenge and were able to host TB clinics in almost every GDOE school for students and staff. Despite these challenges, our island's school nurses have responded to these needs with professionalism and passion for the school communities they serve.

I commend and congratulate nurses and school nurse support staff of the Guam Department of Education (GDOE) as they celebrate the 2016 National School Nurses Day and on a successful school year. I join the people of Guam in expressing our appreciation for their contributions to Guam's school communities.

HON. KATHY CASTOR

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, May 16, 2016

Ms. CASTOR of Florida. Mr. Speaker, on May 10 and 11, 2016 I was absent. Vice President BIDEN gave an important address about U.S. foreign policy in the Western Hemisphere in my District and I was part of the program. Had I been present on Tuesday May 10, I would have voted "yes" on H.R. 4957 and H.R. 5052. Had I been present on Wednesday May 11, I would have voted "no" on the Previous Questions on H. Res. 720, "no" on Agreeing to H. Res. 720, "yes" on H.R. 4843, and lastly, had I been present I would have voted "yes" on H.R. 4641—the same way I voted in Committee when we were considering the bill in the Energy and Commerce Health Subcommittee Markup on April 20, 2016 and in the full Energy and Commerce Committee Markup on April 27, 2016.

HEROIN EPIDEMIC IN SOUTH JERSEY

HON. THOMAS MacARTHUR

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, May 16, 2016

Mr. MACARTHUR. Mr. Speaker, I rise today to address the growing addiction crisis and the challenge it presents for families and communities in South Jersey.

We need to take action now, and it is with resolve, that I stand with the Bipartisan Task Force to Combat the Heroin Epidemic, and local leaders like Ocean County Prosecutor Joseph D. Coronato and Ocean County Sheriff Michael G. Mastronardy. New Jersey's heroin overdose death rate is triple the soaring U.S. rate and our local officials have made combating the addiction epidemic a top priority. They have sought partnerships between law enforcement, hospitals and educators, and created a Drug Task Force to coordinate efforts with local police forces. The steps Congress is taking are strong and necessary, and I am proud to lead that effort by supporting bipartisan bills to address this growing crisis.

Ocean County admits more people for heroin addiction treatment than any county in

New Jersey. I wish we didn't have such high numbers of people needing help—but as long as they need assistance, we must make sure they get it, so they can improve their lives and provide hope to those struggling with this disease.

Mr. Speaker, the people of New Jersey's Third Congressional District are tremendously grateful for the hard work done by Prosecutor Coronato, Sheriff Mastronardy and others like them. All of us know someone whose life has been affected by drug addiction—we need to fight this epidemic now.

RECOGNIZING THE LEADERSHIP OF CAROL ANN MOONEY

HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, May 16, 2016

Ms. EDDIE BERNICE JOHNSON of Texas.

Mr. Speaker, today I want to recognize the significant leadership of a selfless educator and inspirational woman, Carol Ann Mooney. After a storied career in Catholic education in South Bend, Indiana, Mrs. Mooney will be retiring from her position as president of St. Mary's College after holding that title for twelve years.

Mrs. Mooney's love for St. Mary's is tried and true, seeing as she is the first lay alumna President of the university. She attended St. Mary's from 1968–1972, then made the short physical but grand intellectual journey to the University of Notre Dame Law School, where she graduated first in her class. After a stint in law firms here in Washington D.C., she returned to South Bend to join the University of Notre Dame Law School's faculty, in her journey holding the titles of assistant dean, associate dean, university vice president, and associate provost. In 2004, she was delighted to return to the alma mater that she and I share to become its first alumna president.

Mrs. Mooney's tenure at St. Mary's is defined by her deep love for the school. Under her leadership, the school saw unprecedented growth with a record-breaking fundraising campaign, underwent a lengthy accreditation process with the Higher Learning Commission, rapidly expanded diversity on the campus, and launched three graduate programs.

More than anything, Mrs. Mooney will be remembered as a mentor, who was available to talk to students always. The young women of St. Mary's College will certainly miss Mrs. Mooney, but not as much as she will miss seeing them as she has for the better portion of her life. During retirement, Mrs. Mooney and her husband will stay in South Bend, but plan to visit their four children and grandchild as much as possible.

Mr. Speaker, I want to recognize the selfless dedication this woman has given to educating young people and shaping the future generation of leaders and thinkers. For this she deserves our undue respect, admiration, and praise—though her humility will likely not allow her to accept it.
